## About Us

The Wyoming Cutting Horse Association was officially incorporated as a Non-Profit Organization in 1987 after several horse trainers, ranchers and cutting enthusiasts around the state decided that Wyoming should have their own club in affiliation with the National Cutting Horse Association. Some of the original Board Members included Jack and Barb Runner of Saratoga, Bill and Marge Page of Torrington, Ed and Karen Buchanan of Baggs, James Johnson of Casper, Steve James of Pinedale, Bryon and Bambi Pownall of Gillette and Mickey and Jan Wagenson of Gillette.

The goal of the WCHA is the promotion of the sport of cutting and showing cutting horses in the great state of Wyoming!
